What interests you about this opportunity?

This experience occurs during June - July 2019. A total of 80 hours is expected. What other time constraints will you have during this time that will affect your work schedule?

What experience do you have developing curriculum? Please describe.

What experiences do you have teaching students in the outdoor environment? Please describe.

I understand the requirements of the Teacher in Residence and would like to be considered for the 2019 Teacher in Residence Program. I understand that all materials produced may be used by Holden Forests & Gardens in their programming or publications.

Signature of Applicant

Date
